Description of the event/activity (min 250 words)

On 27th April 2024 an in-service education was planned by Dr. Sonali Bhore madam among the GPMT INS teaching faculty. The topic of in service education programme was on "thinking routines". The in service education programme was started sharp 3pm by a small introduction by resource person. Before starting the topic pre-test was given to the faculties. The recourse person started the topic by teaching the various skills and techniques given by PZ methods. Then the faculties were given a small brain storming activity by forming a 4 groups and allowing them to select their own subjects and based on any one topic they were told to present the topic by Applying the thinking routines in their teaching skills. After that the post test was taken. A small feedback was taken by all the teaching faculties.

SWOT analysis

1.Strength

- It was national programm.
- Excellent team coordination.
- Enthusiastic audience
- Informative session
- New initiative
- Upgraded the skills
- Development of innovative ideas
- Acquired competitive spirit
- Provided opportunities for personalized thinking routine demonstration

2. Weakness

- Extended time for 30 mins.
- The students got exhausted because of sun heat.

3.Opportunities

- More collaboration can be at national level.
- Different program can be scheduled as a rally.

4. Threat

- None

Subject: Acknowledgment of Participation in Leprosy Awareness Rally

Dear Sir/Madam,

I hope this message finds you in good health. On behalf of the Leprosy Institute, I would like to extend our sincere gratitude to the students and faculty of Gulabrao Patil Memorial Trust's Institute of Nursing Sciences for their active participation in the Leprosy Awareness Rally held on 30th January 2025.

We are deeply appreciative of the nursing students' enthusiasm and dedication in supporting the rally, spreading awareness about leprosy, and engaging with the community. Their involvement played a significant role in the success of this important initiative, and we commend their efforts to raise awareness regarding leprosy prevention, early detection, and treatment.

It is heartening to see such active participation from the youth in social causes, and we look forward to future collaborations with your esteemed institution to further enhance public knowledge and awareness of leprosy.

Thank you once again for your valuable contribution to this cause. We truly appreciate your continued support.
